Mini plan customers may request a playoff package consisting of 8 potential games. **Customers will be seated according to when we receive your payment. Playoff seating will be done on a first-come first-served basis**, so make your payment today! If we are unable to seat you in your current price range we will contact you with an alternative.

Slam Dunk and Three Point customers will receive tickets to potential games 1 & 3 in the first and third rounds, and games 2 & 4 in the second and fourth rounds.

Weekend and Fast Break customers will receive tickets to potential games 2 & 4 in the first and third rounds, and games 1 & 3 in the second and fourth rounds.

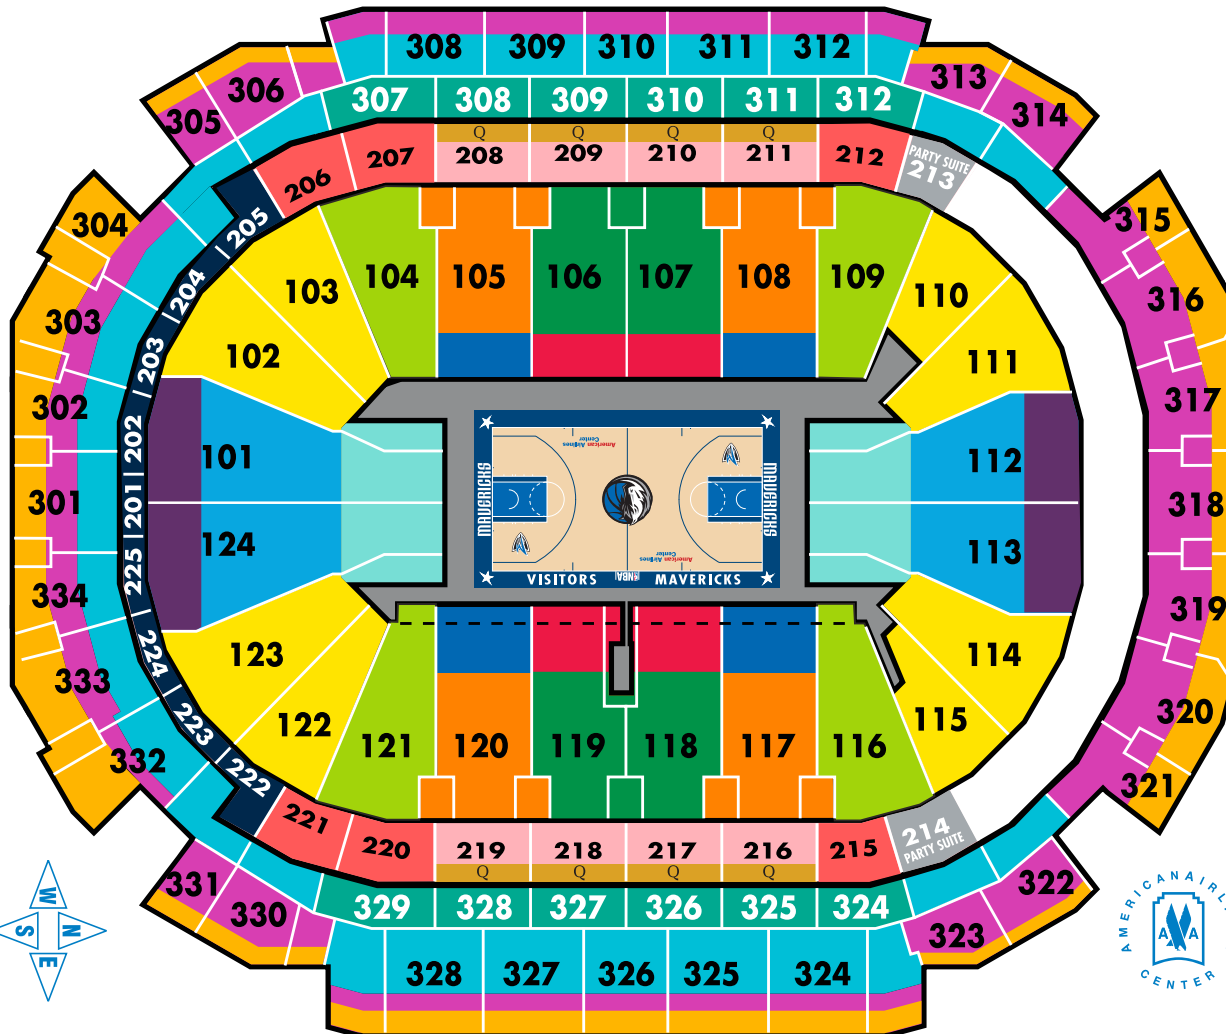

8 game playoff plans do not guarantee a ticket to every other game played, but rather two potential games per round as outlined above. If a series ends early and a game is not played in your package, you will not be billed for that respective game. During the playoffs please refer to mavs.com for specific game date and time details.

Please submit this form along with your original invoice and payment prior to March 15, 2016.

*For customers who are renewing their season ticket package, in addition to your initial renewal payment, a payment equal to the price of Round 1 is due per seat in order to be considered for a playoff package. For Rounds 2 - 4, once a round is completed, your credit card will be charged for the games played in that respective round. †For those who are not renewing their season ticket package, a 100% playoff payment per seat is necessary in order to have your playoff request considered. Use the table in the top right of this page to determine your playoff payment. Please indicate the amount of your playoff payment below.
